Issue 14

Niche Night is Thursday, December 21! An updated flyer is below. The time is the only change. Our event now starts at 5pm, but you can arrive as early as 4pm. We hope this change makes traveling more convenient for students and families.

Holders of a Silver Niche Coin, after attending Niche Night #1, can receive their first dividend or payment. Those who missed Re-Opening Ceremonies, and attend Niche Night #1, can then receive a Green or Silver Niche Coin, each with different monetary advantages and disadvantages.
