

THE NICHE CLINIC

Sunday Niche Newsletter

Sunday, March 10, 2024

Issue 26

Every Sunday, starting March 10, the Tax Liability webpage on our website will be updated. Look for your nickname and the current Red Niche Coins (or promissory notes) you have turned in to meet your tax liability.

All Winter Niche Job participants should know their nicknames by March 10. If not, please reach out to a staff member to get it. Reminder: Receiving a 4 Ps Score, a Red Niche Coin, or a promissory note for a Red Niche Coin is NOT the same as paying your tax liability. You must voluntarily approach a staff member at The Niche Clinic and say, "I want to pay part of my tax liability."

It is recommended you follow and consult @thel.eviathan on Instagram before paying off any portion of your tax liability. Doing this may reveal market asymmetries and thus present an opportunity for additional pay and/or Red Niche Coins.

The next 3 pages present the first 3 pages of the UnSecurities UnProspectus for Winter Niche Jobs.
