The Steps for Early Enrollment in Summer Niche Jobs

The only topic this issue of *The Sunday Niche Newsletter* will cover is the registration process for Summer Niche Jobs, and we cover it in (hopefully) 4 easy steps.

REMEMBER

But, first: Please remember that during our summer program, each participant's check or direct deposit will NO LONGER come from PYN. or Work Ready. Instead, it comes from an organization called JEVS, also known as Career Connected Learning (C2L).

STEP 1

As you know, the first thing you need to do is go to the appropriate website to apply.

www.nicheclinic.org/enroll

or

STEP 2

Scroll down on the webpage until you see The Niche Clinic, and then click the orange button under the description that says "apply."
